Strictly speaking, the case does not seem to require the approval of the Dewan (vide rule 3 of the Council Rules) or the sanction of His Highness under this taken to mean a material revision of establishment of a Dept (item X of Sch B to Council Rules) Revising the scale, does not appear to be a revision of Establishment, when there is neither increase in the number of heads, nor a retrenchment. The approval of the Dewan may perhaps be obtained before issue of orders.

OFFICE OF THE GOVERNMENT ADVOCATE IN MYSORE

Dated Bangalore 18th March *192* 4.

GENL. & REV. SECTT. Br. ... 9 MAR. 1924 G. D. SECTION

FROM

K. SHANKARANARAYANA RAO, Esq., M.A., B.L.,
The Government Advocate in Mysore,
BANGALORE.

LOCAL AND LEGISLATIVE SECRETARIAT. III. 21 MAR. 1924 PROTECTION BRANCH

To

The Secretary to the Government
of H. H. the Maharaja of Mysore,
Local & Legislative Departments,
BANGALORE.

SIR,

I have the honour to state that the pay of the two Clerks of this office was fixed at Rs.50/- and 30/- respectively in the year 1920, in Government Order No. G.9051-2/Cts. 53-19-8, dated the 4th November 1920, and in the year 1921, when general additions to pay were sanctioned throughout the State (as per G.O. No. Fl.C.6-53/S.A., 5-21 dated the 9th October 1921) on account of the abolition of the High Prices Allowances which were then being given, their pay was fixed at Rs.55/- and 35/- respectively. Since then they have had no promotion whatsoever and they are working on the same fixed pay year after year. As this office consists of only two clerks, there is no prospect of their getting any promotion. In other bigger offices where there are a number of hands, the clerks have chances of getting some promotions now and then on account of transfers Etc., and it is rather hard to expect the men in smaller offices like mine to continue to work on the same fixed pay year after year.

The volume of work in this office has also very much increased, and as it is too heavy for two clerks, they are obliged to work overtime on several occasions, to get through the ever increasing work of correspondence etc.,

In order,

In order, therefore, to give some encouragement to those already in service in this office and also to attract good and efficient candidates to the office whenever vacancies may occur, it is necessary that some system of progressive salary should be fixed for this office, thus giving the clerks the hope of earning a small increment every year for the heavy and responsible work they are expected to do. Under the circumstances, I venture to think that it is necessary that the scales of pay of the clerks should be placed on a progressive basis as in the General and Revenue Secretariat, the Head Clerk being placed in the same grade as that of a I Division Clerk or a Senior Stenographer of the Secretariat (Rs.55-5-100) and the Second Clerk in the grade of a Second Division Clerk (Rs.35-3-65). Taking their present pay (i.e., Rs.55/- and 35/-) as the minimum in the two grades, they may be allowed to draw the first increment in the proposed grades with effect from 1st July 1924 in view of the fact that they have been drawing their present pay since the year 1921. The amount required for additional expenditure in this connection during the first year is Rs.96/- only and I request that the sanction of Government may be kindly obtained for the above proposals and for including the small sum of Rs.96/- required for the first year in the Budget Estimates of this Office for the year 1924-25. Detailed proposals regarding the average cost etc., that this proposal may involve, will be worked up if necessary, and submitted to Government separately.

I have the honor to be,
Sir,
Your most obedient servant,

Government Advocate
